Sue Jeske Early Learning Memorial Scholarship

Sue Jeske was the creator and instructor for our recreational preschool learning programs, Ready-Set-Grow and Let's Get Ready for Kindergarten beginning in 1995 through 2011 when she had to step down from teaching due to her cancer diagnoses. Miss Sue, as she was lovingly called by her students, had a profound impact on the 1000+ children she taught during the course of her time with us. Because of the outstanding education she gave her students, many choose to continue taking additional programs through our department. Unfortunately, Sue lost her fight to cancer in September 2017.

To honor her memory, we have established the Sue Jeske Early Learning Memorial Scholarship. This scholarship will provide a \$100 scholarship for our preschool learning programs (Jump Start to Kindergarten or Little Learners) for one child each session who meets the financial requirements set forth. To apply for the scholarship, please stop by our office and pick up an application packet.
