

Due by March 31, 2013

**Notice:** Pursuant to s. NR 216.07(8), Wis. Adm. Code, an owner or operator of a Municipal Separate Storm Sewer System (MS4) is required to submit an annual report to the Department of Natural Resources (DNR) by March 31 of each year to report on activities for the previous calendar year. This form is being provided by the DNR for the user's convenience. Personal information collected will be used for administrative purposes and may be provided to the extent required by Wisconsin's Open Records Law [ss. 19.31-19.39, Wis. Stats.].

This form is for reporting on activities undertaken in calendar year 2012.

**Instructions:** Complete each section of the form that follows. If additional space is needed to respond to a question, attach additional pages. Provide descriptions that explain the program actions taken to comply with the general permit. Complete and submit the annual report by March 31, 2013, to the appropriate address indicated on the last page of this form.

SECTION I. Municipal Information			
Name of Municipality		Facility ID No. (FIN)	
City of Muskego		31280	
Mailing Address	City	State	ZIP Code
W182S8200 Racine Avenue, PO Box 749	Muskego	WI	53150
County(s) in which Municipality is located	Municipality Type: (select one)		
Waukesha	<input type="radio"/> County <input checked="" type="radio"/> City <input type="radio"/> Village <input type="radio"/> Town <input type="radio"/> Other (specify)		

SECTION II. Municipal Contact Information			
Name of Municipal Contact Person		Title	
David Simpson, P.E.		Director of Public Works/City Engineer	
Mailing Address	City	State	ZIP Code
W182S8200 Racine Avenue, PO Box 749	Muskego	WI	53150
Email	Phone Number (include area code)	Fax Number (include area code)	
dsimpson@cityofmuskego.org	(262) 679-5686	(262) 679-5614	

SECTION III. Certification			
<p><i>I hereby certify that I am an authorized representative of the municipality covered under MS4 General Permit No. WI-S050075-1 for which this annual report is being submitted and that the information contained in this document and all attachments were gathered and prepared under my direction or supervision. Based on my inquiry of the person or persons under my direction or supervision involved in the preparation of this document, to the best of my knowledge, the information is true, accurate, and complete. I further certify that the municipality's governing body or delegated representatives have reviewed or been apprised of the contents of this annual report. I understand that Wisconsin law provides severe penalties for submitting false information.</i></p>			
Authorized Representative Printed Name	Authorized Representative Title		
David Simpson, P.E.	Director of Public Works/City Engineer		
Signature of Authorized Representative	Date		
	03/25/2013		
Email	Phone Number (include area code)	Fax Number (include area code)	
dsimpson@cityofmuskego.org	(262) 679-5686	(262) 679-5614	

SECTION IV. General Information			
<p>a. Describe what efforts the municipality has undertaken to invite the municipal governing body, interest groups, and the general public to review and comment on the annual report.</p> <p>The City of Muskego has published its Annual Report on the City's website to notify the public of permit compliance activities. Any public comment is reported to the Public Works Committee who would then report to the Common Council by way of minutes approval.</p>			
<p>b. Describe how elected and municipal officials and appropriate staff have been kept apprised of the municipal storm water discharge permit and its requirements.</p> <p>The permit requirements as well as every public improvement project and Engineering Study is discussed and/or reported to the Public Works Committee.</p>			
<p>c. Has the municipality prepared its own municipal-wide storm water management plan? <input checked="" type="radio"/> Yes <input type="radio"/> No</p> <p>If yes, title and date of storm water management plan:</p> <p>City of Muskego Comprehensive Stormwater Management Plan Phase 2, July 1999</p>			

**SECTION IV. General Information (continued)**

- d. Has the municipality entered into a written agreement with another municipality or a contract with another entity to perform one or more of the conditions of the general permit as provided under Section 2.10 of the general permit?  Yes  No

If yes, describe these cooperative efforts:

The City has grouped with the Waukesha Stormwater Education Program to combine efforts related to public education. Implementation of specific program items began in November of 2008 and continued through 2011 and will continue in 2012 at a minimum.

- e. Does the municipality have an internet website?  Yes  No

If yes, provide web address:

[www.cityofmuskego.org](http://www.cityofmuskego.org)

If the municipality has an internet website, is there current information about or links provided to the MS4 general permit and/or the municipality's storm water management program?  Yes  No

If yes, provide web address:

<http://www.cityofmuskego.org/index.aspx?nid=156>

**SECTION V. Permit Conditions**

- a. **Minimum Control Measures:** For each of the permit conditions listed below, provide a description of the status of implementation of program elements, the status of meeting measurable goals, and compliance with permit schedule in section 3 of the MS4 general permit. Provide an evaluation of program compliance with the general permit, the appropriateness of identified best management practices, and progress towards achieving identified measurable goals. Be specific in describing the actions that have been taken during the reporting year to implement each permit condition and whether measurable goals have been met, including any data collected to document a measurable goal. Also, explain the reasons for any variations from the compliance schedule in the MS4 general permit.

• **Public Education and Outreach**

The City uses its existing website to educate its residents on stormwater management and water quality issues. It has also agreed to participate in the Waukesha County Stormwater Education Program which it joined in November of 2008. Specific program items include developer and contractor workshops, storm drain stenciling, educational newsletters, community educational presentations, tours and demonstrations for the public, as well as training and teaching resources for schools. The City also gives a pet waste pamphlet to all owner's of newly licensed dogs within the City of Muskego.

• **Public Involvement and Participation**

The City Conservation Coordinator led groups of boy scouts and of High School students through a wetland restoration area and explained the benefits of storm water management. Also, the City worked to complete a wetland restoration project and will be including public involvement activities as part of the preservation area. The City publishes its NR216 Annual Report on the City's website to notify the public of permit compliance activities. The City accepts comments from the public via phone, e-mail or in writing.

• **Illicit Discharge Detection and Elimination**

The City adopted a new Illicit Discharge Detection and Elimination ordinance in November of 2008 following the requirements of the MS4 permit. The ordinance prohibits the discharge, spilling or dumping of non-storm water substances or materials into waterways, details the identification protocols for non-storm water discharge or flow that is not considered illicit discharge, and establishes inspection and enforcement authority. In 2012, all major outfalls were evaluated by a consulting firm with none requiring further investigation.

• **Construction Site Pollutant Control**

The Community Development Department is responsible for the enforcement of the erosion and sediment control ordinance including review of erosion control permits and plans. In 2012 55 new home permits were issued and all are inspected for erosion control devices.

• **Post-Construction Storm Water Management**

The City requires compliance and is responsible for enforcing the provisions of this ordinance through the stormwater management plan reviews performed by the Engineering Department. Maintenance agreements are required for all privately owned BMPs constructed in the City of Muskego.

**SECTION V. Permit Conditions (continued)**

• **Pollution Prevention**

The City's Pollution Prevention Program was developed in 2008, which includes stormwater facility inspection and maintenance, street and catch basin cleaning protocols, road salt and yard waste management, municipal garage and yard inspections and maintenance, and municipal staff education. All roads were cleaned a minimum of two times in 2012 and all catch basins were cleaned once. Road salt was kept to a minimum by calibrating application rates to a minimum for arterials and collectors and only salting minor and local intersections.

- b. **Storm Water Quality Management:** Has the municipality completed a pollutant-loading analysis to assess compliance with the 20% TSS reduction developed urban area performance standard?  Yes  No

If yes, provide the following: Model used SLAMM Version 9.4 Reduction (%) 31.2

If no, include a description of any actions the municipality has undertaken during 2012 to help achieve the 20% standard.

- Has the municipality completed an evaluation of all municipal owned or operated structural flood control facilities to determine the feasibility of retrofitting to increase TSS removal?  Yes  No

If yes, describe:

The retrofit evaluation was completed in 2008, which concluded that three municipally owned dry ponds could potentially be retrofitted to increase TSS removal. These potential retrofits will be examined further when new guidance is received for future permit requirements.

- c. **Best Management Practices Maintenance:** Does the municipality have a maintenance program for installed storm water best management practices?  Yes  No

If yes, describe the maintenance program and any maintenance activities that have occurred for best management practices in 2012. If available, attach any additional information on the maintenance program.

City crews inspected all City owned ponds and cleared debris from all outlet structures to prevent any potential clogging.

- d. **Storm Sewer System Map:** Describe any changes or updates to the storm sewer system map made in the reporting year. Provide an updated map if any changes occurred during the reporting year.

The City now has an updated interactive Storm Sewer System Map available to the public at the following web-site: <http://www.mapmuskego.com/arcimswbsite/MainInternet/viewer.htm>

**SECTION VI. Fiscal Analysis**

- a. Provide a fiscal analysis that includes the annual expenditures for 2012, and the budget for 2012 and 2013. A table to document fiscal information is provided on page 5.

- b. What financing/fiscal strategy has the municipality implemented to finance the requirements of the general permit?

Storm water utility  General fund  Other Special Revenue Account (from host agreement)

- c. Are adequate revenues being generated to implement your storm water management program to meet the permit requirements?  Yes  No

Please provide a brief summary of your financing/fiscal strategy and any additional information that will assist the Department in understanding how storm water management funds are being generated to implement and administer your storm water management program.

The City of Muskego has a fund generated by the active landfill operations that may appropriate monies toward the City's storm water management goals.

**SECTION VII. Inspections and Enforcement Actions**

**Note: If an ordinance listed below has previously been submitted and has not been amended since that time, a copy does not need to be submitted again. If the ordinance was previously submitted, indicate such in the space provided.**

- a. As of the date of this annual report, has the municipality adopted a construction site pollutant control ordinance in accordance with subsection 2.4.1 of the general permit?  Yes  No If yes, attach copy or provide web link to ordinance:

Previously Submitted

**SECTION VII. Inspections and Enforcement Actions (continued)**

- b. As of the date of this annual report, has the municipality adopted a post-construction storm water management ordinance in accordance with subsection 2.5.1 of the general permit?  Yes  No If yes, attach copy or provide web link to ordinance:  
Previously Submitted
- c. As of the date of this annual report, has the municipality adopted an illicit discharge detection and elimination ordinance in accordance with subsection 2.3.1 of the general permit?  Yes  No If yes, attach copy or provide web link to ordinance:  
Previously Submitted
- d. As of the date of this annual report, has the municipality adopted any other ordinances it has deemed necessary to implement a program under the general permit (e.g., pet waste ordinance, leaf management/yard waste ordinance, parking restrictions for street cleaning, etc.)?  Yes  No If yes, attach copy or provide web link to ordinance:
- e. Provide a summary of available information on the number and nature of inspections and enforcement actions conducted during the reporting period to ensure compliance with the ordinances described in a. to d. above.  
Inspections are completed as permits are applied for and as violations occur. Should a complaint come to the City's attention, we will inspect the situation and issue orders for compliance. If a permit is issued, inspection will occur prior to new home permit issuance and throughout the home building process. In 2012, the City issued 55 new home permits and approximately 4 commercial/industrial permits.

**SECTION VIII. Water Quality Concerns**

- a. Does any part of the MS4 discharge to an outstanding resource water (ORW) or exceptional resource water (ERW) listed under s. NR 102.10 or 102.11, Wis. Adm. Code? (A list of ORWs and ERWs may be found on the Department's Internet site at: <http://dnr.wi.gov/topic/SurfaceWater/orwerw.html>)  Yes  No If yes, list:
- b. Does any part of the MS4 discharge to an impaired waterbody listed in accordance with section 303(d)(1) of the federal Clean Water Act, 33 USC § 1313(d)(1)(C)? (A list of the most current Wisconsin impaired waterbodies may be found on the Department's Internet site at: <http://dnr.wi.gov/water/impairedsearch.aspx?status=303d>)  Yes  No If yes, complete the following:
- Impaired waterbody to which the MS4 discharges:  
Little Muskego Lake
  - Description of actions municipality has taken to comply with section 1.5.2 of the MS4 general permit for discharges of pollutant(s) of concern to an impaired waterbody:  
The pollutant of concern for Little Muskego Lake is Total Phosphorus, which is categorized as low priority. Actions to reduce Total Phosphorus may include educational activities or resources that focus on limiting the use of residential and municipal lawn fertilizers as well as limiting the use of manure in agricultural areas. Educational information can be found on the City's web-site.
- c. Identify any known water quality improvements in the receiving water to which the MS4 discharges during the reporting period.  
A wetland restoration project was completed on land that the City recently purchased that had previously drained directly into the ditched that drain to Little Muskego Lake.
- d. Identify any known water quality degradation in the receiving water to which the MS4 discharges during the reporting period and what actions are being taken to improve the water quality in the receiving water.  
No known degradation occurred in 2012.

**SECTION IX. Proposed Program Changes**

Describe any proposed changes to the storm water management program being contemplated by the municipality for 2013 and the schedule for implementing those changes. Proposed program changes must be consistent with the requirements of the general permit.  
None

Fiscal Analysis Table. Complete the fiscal analysis table provided below.

Program Element	Annual Expenditure		Budget		Source of Funds
	2012	2013	2012	2013	
Public Education and Outreach	1,762	1,875	3,750	1,875	Special Revenue Account
