

Preschool Aged School-Year Program

(For children ages 3 to Pre-K)

For the 2018/19 school year, we will again be holding this program as two longer sessions. Those enrolled in the fall session are not guaranteed a spot in the winter/spring session.

This program is designed to be a school year long program. Children enrolling in only the winter/spring session will have missed out on 14 weeks of the beginning curriculum. For the most successful experience for your child, we suggest taking both sessions of the program.

Throughout this dynamic educational and socialization program, your child will be engaged in developmentally appropriate activities that will stimulate each child's social/emotional, physical, creative and cognitive development. Children will have fun while learning through play, exploration, stories, crafts and music. This program will introduce students to basic skills such as:

- counting by 1's, 5's, and 10's
- letter recognition and sounds
- fine motor skills
- rhyming
- sequencing patterning
- science activities
- color and shape recognition
- creative drama
- reading readiness
- music and movement
- encourage language & thinking skills

There are two program opportunities; **Little Learners** for children who are ages 3 & 4 and **Jump Start to Kindergarten** for children ages 3^{1/2} to Pre-K. Each session provides new and exciting educational opportunities. Fall session starts in September and runs through December, winter/spring session starts in January and runs through May. Children must be the required age by September 1 to enroll for the fall session and January 1 to enroll for the winter session.

With these classes, we also utilize the parents as classroom helpers which allows you to interact with your child in their classroom experience. We request you volunteer at least one time per session per child. We also request that the children bring a snack once per session. Please inform us of any allergies when registering your child. Please also note that we are not able to administer any medicines to children other than inhalers and Epi-pens. Children who attend these classes must also be potty trained and able to use the washroom with minimal assistance.

**These classes are held at the Old Town Hall building which is located at the Old Settlement Centre.
W184S8074 Racine Avenue.**

Enrollment: Minimum/class is 5, Maximum/class is 10

Pre-School/Youth/Teen

We are proud to expand our dance & gymnastics offerings through a collaboration with MAJK Dance and Gymnastics. MAJK is an acronym for Mary and Julie Kozlik. 'Miss Mary' founded the Muskego Parks and Recreation dance and gymnastic programs where she and daughter 'Miss Julie' taught for many years, eventually outgrowing the cities facilities. MAJK Dance and Gymnastics was thus opened, and continues to offer Dance and Gymnastic Training by Adult, Certified teachers, in a Safe and Non-Competitive Environment. MAJK Dance and Gymnastics has the only padded 'floating dance floor' in the area as well as a fully equipped padded, carpeted Gym. All classes can be observed at any time with viewing areas for parents and friends as well as the availability of a full line of Dance and Gymnastic merchandise.

No classes during Thanksgiving break & Christmas break. Dates will be handed out in class.
