LAUNCHING: \$7.00 Daily Fee (per trailer)

Launching fees must be paid at all times, even when no attendant is present. New parking pay stations will be located at Idle Isle starting in 2018 for collection of daily fees. Or a season launch pass must be affixed to windshield to show notice of payment. Failure to comply with launch payment will result in a citation.

Launch Fees for 2018

Those using a boat launch are required to pay a launch fee **every time** they use the launch. This includes the city maintained launches at:

- Little Muskego Lake:
Idle Isle, Hillview, Oak Court, Pleasantview
- Big Muskego Lake
Durham, Boxhorn
- Denoon Lake
Denoon Park

A launch is considered anytime a trailered watercraft is put into the water where the tires of the trailer enter the launch and then the water. If you are using the launch only with a watercraft you have carried into the water (i.e. kayak, stand-up paddleboard) you do not have to pay the launching fee.

This fee must be paid even if you live on the lake and please note, your property taxes do not cover the launch fees. Launch fees are collected at the direction of the DNR and are used for improvements on that launch. **Failure to comply with launch payment will result in a citation.**

Each launch has an honor box with receipt envelopes which must be fully completed and payment enclosed and placed in the honor box. Receipt of payment should then be placed in the vehicle window. You can use these same envelopes to order your season pass or you can stop by the City Hall during normal business hours to purchase a pass.

SEASON City Residents **\$42.00**
PASSES City Senior Resident, 60+ Years **\$14.00**
Non-city Residents, any age **\$63.00**

NOTE: A second pass may be purchased at half-price for the same boat/trailer/owner and must be purchased at the same time the first pass is being purchased.

Park Shelter Rentals

All clubs/associations, groups or affiliations wishing to use a facility must complete the Application Form for Use of Park Buildings/Shelters available at the Recreation Department or from the website. Having a permit allows you to have exclusive access to the shelter. Also, having your event in our reservation book helps us with planning maintenance and other park events that are scheduled.

Due to increased demand of the parks, a rental limit of 6 hours is used. Rental hours are 8:30 a.m.-2:30 p.m. OR 3:00 p.m.-9:00 p.m. You can rent for the full day, but you will be paying for both rental slots. This does not include Denoon and Manchester shelters, which only have portable toilets.
