LIMITED ACCESS TO MUSKEGO CITY HALL STARTING MARCH 26, 2020

March 25, 2020

**** FOR IMMEDIATE RELEASE ****

As the COVID-19 Pandemic continues to spread, and reports of more positive test results are received, including five in Muskego, the City of Muskego continues to evaluate how to best serve the public while keeping our staff as safe as possible.

After extensive deliberation, the City of Muskego is reducing access to city hall. **Beginning on Thursday, March 26, 2020, all face-to-face business at city hall is suspended indefinitely**, however, staff is available by phone to conduct business and answer questions.

In-Person early voting will be restricted to 8:30am to 11:30am on Monday, Wednesday, and Friday, and 12:30pm - 3:30pm on Tuesday and Thursday. By reducing hours, our hope is to minimize the risk to citizens and our employees posed by person-to-person contact. It will also allow us more time to sanitize City Hall, as well as allow us time to process the overwhelming number of ballots we need to mail.

Citizens are strongly encouraged to vote by absentee ballot. How to vote ABSENTEE or ONLINE is at the link below.

Effective immediately, the **Police Station Lobby is closed**. While they continue to keep our city safe and answer calls for service, access to the police station will be severely limited. Lobby drug drop off is suspended. **Citizens in need of assistance from the police department are urged to call the non-emergency number at 262-679-4130.** If you must come to the police department in person, you may contact dispatch through the intercom in the vestibule. These precautions are taken to keep both citizens and our police department employees safe during this pandemic. Thank you for your understanding.
