Richard Rens

PRESS RELEASE

May 18, 2020

***** For Immediate Release *****

Little Muskego Lake – SLOW NO WAKE

Due to recent heavy rains causing high water levels on Little Muskego Lake, effective immediately, a Slow No Wake speed limit is in place. This temporary speed limit will be in effect until Noon on Wednesday, May 20, 2020. This may change as lake water levels are monitored. It is hoped that water levels will drop so normal recreational activities may resume.

Please check back on the police department Facebook Page for future updates.
