# ADULT PROGRAMS

## Memory Screenings

Wednesday September 7,  
10:00am-3:00pm

A memory screen is a wellness tool that helps identify possible changes in memory and cognition. It creates a baseline of where a person is at so that future changes can be monitored. Participants will have the opportunity to talk with a Dementia Care Specialist about available resources and learn about brain health and ways to stimulate your brain. Registration is required, to make your free 30-minute appointment contact Jennifer at the ADRC at 262-548-7848.

## Maximize Your Medicare Benefits!

Tuesday September 13, 10am

Learn more about your Medicare options! This presentation will provide an overview of Medicare Parts A, B, C and D as well as supplemental insurance and an explanation of how they all fit together. The program will also include information about Medicare's upcoming annual open enrollment period and an explanation of how to use and understand the plan comparison tool on Medicare's website. Important information will be shared about special programs for Medicare beneficiaries with limited income that may help them pay their Medicare costs (Medicare Savings Plans) and also help pay for their Medicare Prescription Drug Coverage ("Extra Help").

## 21-Day Detox

Tuesday September 13, 6:30pm

Come join Dr. Janice Jurack of Muskego Health & Wellness Center and author of "The Three Pillars of Health" for an in-depth discussion that sorts through the hype and helps you to determine if toxins are affecting your overall health. Participants will have the chance to speak with Dr. Jurack one-on-one to determine how you can overcome the blocks that prevent you from reaching your health goals. One lucky participant will win a free 21 day detox kit! Registration required: please call or text (414) 422-1203 or email [drjurack@mhwc.net](mailto:drjurack@mhwc.net) to reserve your spot.

## The Sistine Chapel

Wednesday September 14, 7pm

Dr. Lorrie Wenzel is a former scripture professor, church historian and noted expert in the biblical imagery in sacred spaces. She and her husband recently returned from a two-month trip to Europe, studying over 40 cathedrals and churches in six countries. She has spent hours inside the Sistine Chapel.

Using a PowerPoint presentation, Dr. Wenzel will identify the biblical stories that saturate the Sistine Chapel. The pictures in the presentation were taken during a private tour.

# FRIENDS OF THE LIBRARY

## We Want Your Gently Used Books

Did you know that the lion's share of the library's programs for children, teens and adults is funded through the hard work of the Friends of the Muskego Library? Chances are that Beekeeper presentation or after school program for your child has been paid for by this dedicated group. How do they raise those funds? Primarily through sales of used books, DVDs and puzzles. How can you help? Please think of the Library when you weed your own collections and drop off your **gently used** books, DVDs and puzzles at the Library. We will be happy to give you a receipt for your taxes.
